

On Task

Eyes, hands, and body are focused on work.

Try

Give up.

Little work is finished.

Worried you don't know what it will look like.

Find another way.

Ask for help.

Don't worry about the result.

Focused.

Use all your strength.

Cooperate

Just thinking about what I want.

Yelling.

Butting heads.

Take turns talking and listening.

Find out what the other person thinks.
